

BEAN SCENE ART

WHAT YOU NEED:

- Paper or cardboard (try the back of cereal or cracker boxes)
- Dried beans or lentils (try different shapes and sizes!)
- Pencil, pen, marker or other writing utensil
- Glue

STEPS:

Draw outlines of a person, place or scene, or thing.

Spread glue where you want to add beans and lentils for color and texture.

Get creative and put the beans on the glue in any way you would like!

Allow the glue to dry before moving your bean scene. Then put on display!

THERE ARE SO MANY TYPES OF BEANS AND LENTILS!
