**POWERUP PRESS** | SUMMER ISSUE

### WHERE DOES IT GROW?

Fruits and vegetables grow in different ways. Draw a line from each fruit or vegetable to where it grows.

Plant or stalk

Tree

Underground

Apples

Blueberries

Corn

Onion

A cluster of bananas is called a **"hand,"** and a single banana is called a **"finger"** and a group of hands is called a **"bunch."** Potatoes were the first vegetable to be **grown in space**.

#### **PowerUp Summer Games**

### MOVE AND GROOVE CHALK COURSE

Design your own chalk course with shapes and patterns for different moves or actions. Check out the ideas below to get started. Use the space to draw your course before grabbing some chalk to create it outside.

### INDOOR OBSTACLE COURSE

Create your own indoor obstacle course using items found around your home. Get started with the ideas below. You can make the course more exciting by adding fun challenges like racing against the clock or trying different paths.

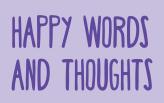

Hop on one foot between pillows

Balance along a taped line

It feels good to say kind and loving things to yourself and others, especially during challenges. Give it a try!

Challenges help me grow
My body can do amazing things
I believe in myself
Write your own:

## WHIMSICAL WIND CHIMES

Create your own wind chimes from treasures from nature or around your home.

#### WHAT YOU NEED:

- Plastic spoons
- String
- Bottle caps/lids
- Cans
- Old keys

Pinecones

- Sticks
- Scissors
- Beads, buttons, paint (optional)

#### SAFETY FIRST!

Ask an adult for help and permission before trying this activity.

#### **STEPS:**

Find a stick, lid, can, or clothes hanger to be the top of your wind chime.

Using string, tie anything you would like to your wind chime top, such as old keys, pinecones, plastic spoons, or bottle caps.

Hang up your wind chime creation to enjoy the sight and sounds.
